If you are looking for a place to get alone with God and fast and pray, please consider Praise Mountain. Many of the people who come here have strengthened their walk, made a real impact with prayer, and found answers to problems.

Praise Mountain offers God's people a retreat with privacy and comfort.

We are located 40 miles west of Colorado Springs, off Highway 24, in the mountains.

There are 110 acres of forest and meadow, bordered on 3 sides by National Forest.

We Have Four Ministry Cabins

There are two one-bedroom cabins, one with a queen bed and one with bunk beds; as well as a 5 bedroom house that sleeps 10-12; and a 3-bedroom house that sleeps 8.

There is a chapel, with piano and seating for 20 or more.

Also, there are three prayer "caves" — small structures built around rock formations, for total seclusion.

All cabins are widely separated for privacy. They are fully furnished, including refrigerators (*for tea, water and juice*) and private baths. VCRs and CD players are provided for study and worship.

We ask that you bring NO food, pets, or young children. This is to maintain the purpose of Prayer and Fasting, and quiet time with the Lord. Please note, leaving the retreat to eat out is not considered fasting.

Our ministry at Praise Mountain is not that of a vacation resort. There are no scheduled activities. Also, this is a completely non-smoking facility.

For local guests, we ask that you bring your own bedding, pillows and towels. Soap, shampoo and toilet paper are provided. Linens are furnished for guests from out of state.

We operate on donations only and greatly appreciate any financial gifts the Lord leads you to leave. A suggested donation is \$45 per person per night, with discounts for groups. This is a Colorado Nonprofit Corporation, and all gifts are tax deductible.
